COOPERATIVE AGREEMENT  
BETWEEN  
WASHINGTON STATE DEPARTMENT OF GAME  
AND  
WASHINGTON STATE DEPARTMENT OF FISHERIES  
REGARDING  
LEWIS RIVER BOAT LAUNCH

This Agreement between the Department of Game, hereinafter referred to as "Game" and the Department of Fisheries, hereinafter referred to as "Fisheries" is a cooperative effort to protect the local fish and wildlife resources in the area that will be made accessible by a proposed boat launch on the North Lewis River near Merwin Dam. In particular, this agreement will protect the population of wild fall chinook salmon and the bald eagles that inhabit the region.

Both Game and Fisheries agree to the following:

1. Installation by Game of a boat launch on the North Lewis River near Merwin Dam.
2. Closing the fishing season to all fishing from October 1 through December 15 of each year on the section of the North Lewis River between Merwin Dam and Colvin Creek (immediately upstream from the Lewis River Salmon Hatchery).
3. When fishing season is open it is open only from the shore and/or from non-motorized boats.

Fisheries will not be obligated to provide any financial support for construction of the proposed boat launch.

This Agreement to cooperate shall become effective upon date of last signature and shall remain in effect until terminated by a written mutual Agreement signed by both parties.
